While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

## Important Notes

This tour combines with other G Adventures tours. As such, some travel companions on your tour may have previously been travelling together with G Adventures, prior to Day 1 of your tour.

### 2. Japan Rail Pass

## Group Leader Description

---

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

## Group Size Notes

---

Max 15, avg 12

## Meals Included

---

3 breakfasts, 2 dinners

## Meals

---

Eating is a big part of traveling. G Adventures knows that worldwide, local cuisines define the cultures. We think sampling regional delicacies are intrinsic to truly experiencing the country. We want you to be able to try foods according to your individual tastes, comforts, and budgets.

Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility. At times, meals will be taken together as a group. Other times, your CEO will point you in the direction of several delicious options, and you will have free time to pick and choose at will. Often in Japan it is fun to get some snacks and beverages with the salarymen in the evenings at small restaurants, and other times it is fun to sit with a few friends at a sushi train.

Your CEO will always strive to cater for all dietary requirements/preferences, but please keep in mind that Vegetarianism/Veganism is very uncommon in Japan so this may mean a more limited selection for you.

Please refer to the Meals Included and Budget Information for information regarding included meals on your trip. Japan's kitchen is at your fingertips!

## Transport

---

Bullet train, tram, ferry, public bus, walking.

## About our Transportation

---

Japan's reliable public transportation is the best option for both the environment and for experiencing Japan like a local! We will ride several forms of transportation throughout the country, from Shinkansen bullet trains, to subways, funiculars, local trains, and buses. Note that often times we will have to carry our luggage from one mode of transport to another, so please consider this whilst packing.

## Local Flights

---

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

## Solo Travellers

---

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

## Accommodation

---

Hotels (6 nts), mountain monastery (1 nt, shared facilities), traditional inn (1 nt, shared facilities).

## About Accommodation

---

Japan is one of the most populous countries in the world and space is at a premium. Therefore, hotels rooms are small! Additionally, most Japanese hotels do not have designated non-smoking rooms. Therefore, we ask hotels to deoderise rooms before check in.

Ryokan are traditional inns found across Japan. Featuring tatami floors (soft mats of woven straw), futon beds, Japanese-style baths, cotton kimono (casual robe worn to lounge around or to head to the bath), and elaborate meals (often served in the comfort of your own room), a ryokan is the perfect place to experience traditional customs and hospitality. As ryokan are usually top tier accommodations, most guests stay only one night, often to celebrate a special occasion or holiday. Don't be intimidated by the formalities inherent to a stay at a ryokan, your hosts will welcome you the same way they do all their guests. Have fun and enjoy this relaxing opportunity to learn more about Japan's unique customs.

Minshuku are Japan's answer to the Western bed and breakfast. Similar to ryokan, they have traditional features like tatami floors, futon beds, and Japanese-style baths. Minshuku are often family-run, and as such they offer a great opportunity to interact with local people and learn more about the nation's customs. More affordable and simpler than ryokan, minshuku tend to have smaller guestrooms, shared bathroom facilities, and any included meals (traditional, local, and delicious) are served in a communal dining room.

Please note that some of the traditional Japanese inns used on this tour only offer shared bathing facilities. This means that individual shower stalls will not be available, instead several shower stations are available in an open, same-sex bathing area. Shared bathhouses and onsen (hot springs) are an essential part of Japan's culture, traditionally serving as a place for men or women to gather, relax, and discuss the days happenings.

## What to Take

---

We suggest that you pack as lightly as possible as you are expected to carry your own luggage. Our trips in Japan use public transport and most transport has limited luggage storage space. You will also be walking with your luggage in busy public train stations to catch connecting trains, so it is highly recommended that you travel light and have easy to handle luggage and are capable of walking up and down the stairs with your luggage without any assistance.

We recommend keeping the weight of your bags between 10-15kg/22-30lb. Suitcases are not recommended for G Adventures trips. Most travellers carry a backpack or rolling bag of small to medium size. A large bag will be an inconvenience to you and will slow you down!

Takuhaibin - Japan's takuhaibin service is a convenient and reliable way to transfer luggage from one location to another throughout the country. Pick-up/drop-off/delivery dates and times can be easily scheduled (usually overnight) and costs are moderate. Service can be arranged at most hotels and airports. Using Takuhaibin to send your luggage between hotels, or from hotel to airport, is a great way to travel light and avoid hauling large bags on crowded trains or up and down stairs - just be sure to pack an overnight bag with everything you'll need until you're reunited with your luggage the following day.

## Detailed Trip Notes

Travel in Japan is easy, clean, fast and efficient, however please be aware that English is still not widely spoken, however a lot of patience, a sense of humour and a respect for the local culture goes a long way in any Asian country and will greatly enrich your experience.

---

## Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

---

## Money Exchange

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: [www.xe.com](http://www.xe.com).

Every Post Office and 7-11 Convenience store has an ATM machine that accepts Visa, Mastercard and Debit Cards. At times, Maestro/Master Card/Cirrus have been problematic at these machines, so please bring a back-up card.

Credit Cards should not be relied upon for purchases as they are not widely accepted, except in some restaurants and department stores. Money can be exchanged at Post Offices and some banks and hotels in major cities, however it can be a very slow process.

---

## Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

---

## Departure Tax

Departure tax is included in all international and domestic flight tickets.

---

## Tipping

Tipping is not practiced in Japan. Leaving money at restaurants, in taxis etc will simply cause confusion!

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is highly appreciated. The amount is entirely a personal preference, however as a guideline \$5 USD per person, per day can be used.

---

## Optional Activities

We suggest you bring along USD 100 - 150 for additional sightseeing.

## Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical information pertaining to the country you are travelling to well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as a full supply of any personal medical requirements. In Asia, you will not find the same drugs as you get at home. Please be aware that sometimes we are in remote areas and away from medical facilities. Also note that for legal reasons our Leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if, in the reasonable opinion of the CEO, they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

## Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

## **Trip Specific Safety**

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. ## **Medical Form**

---

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

The medical questionnaire can be found online at:

[www.gadventures.com/medical-form](http://www.gadventures.com/medical-form).

## **A Couple of Rules**

---

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

## **Travel Insurance**

---

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that

we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

### Dollar-a-Day Program

G Adventures' Dollar-a-Day Program provides travellers with the opportunity to give back to the people and places visited on our tours by donating one dollar for every day you are on trip. 100% of these donations go directly to support community development projects worldwide that are implemented by Planeterra.

## Local Dress

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting temples or other holy sites.
