### Itinerary

---

#### Day 1 San José

Arrive at any time. Arrival transfer included.

If you arrive early enough, you'll have time to head into the city to visit a museum, shop, or visit the main plaza in the city centre.

The plaza is a good place to people-watch. A mime, juggler, marimba band, magician, or storyteller may be performing for whatever is collected when the hat is passed. Artisan booths are common, creating a regular arts and crafts fair atmosphere.

Costa Rica has one of the most diverse ecosystems in the world and is a top destination for nature lovers. As such, there is a lot of rain, regardless of the season, allowing for its lush green rain forests and cloud forest, in which flora and fauna thrive. Please come prepared for the possibility of wet weather and variations in temperature.

#### Arrival Day and Welcome Meeting

1h18:00

The adventure begins tonight. Feel free to explore before your welcome meeting, but make sure you're back in time to meet the group. After introductions, your CEO will review the details of your tour. Please note that normal check-in times apply at our start hotels, but you can usually store your luggage for the day if you arrive early.

#### Private Vehicle

Juan Santamaría International Airport - San José

Settle in and scan the scenery from the convenience of a private vehicle.

## Day 2 San José/La Fortuna

Visit a G Adventures-supported coffee cooperative with a coffee tour and local lunch. Continue to the adventure hub of La Fortuna. In the evening, visit a local home and learn the art of tortilla making. Afterwards, dig into a tasty "casado" -- a typical Costa Rican dish that's made with black beans, plantains, and the tortillas you've made.

Please also note that the town of La Fortuna is fairly small with shopping and some great restaurants, but most of the upgraded accommodations in this area are located outside of the main town centre - to take better advantage of the natural beauty and stunning landscapes of the area. Taxis are readily available to take you into town and back and can cost approx. \$10USD each way.

### Private Vehicle

San José - La Fortuna 3h

Settle in and scan the scenery from the convenience of a private vehicle.

### G Adventures for Good: Mi Cafecito Coffee Cooperative Tour

Find out where your cup of java comes from. Visit the Mi Cafecito coffee cooperative in San Miguel de Sarapiquí, see shade-grown coffee plants, learn about everything from harvesting, to husking, drying, and roasting the beans before enjoying the best part - a fresh cup! Enjoy a typical lunch of plantains, beans, and freshly caught tilapia fish. Feel good about all this eating and drinking knowing that you are supporting a G Adventures for Good project that helps 200 farmers and their families.

### National Geographic Journeys Exclusives: Tortilla Making and Home Dinner

Learn the art of tortilla making from Doña Mara in her family home. Grind the corn, mix the "masa" (dough) into balls, flatten into circles, and then cook them up on a wood-burning stove. Relax with a fresh tropical fruit juice, get to know the family, and hear about the history of tortillas. Afterwards, dig into a tasty "casado" - a typical Costa Rican dish including black beans and plantains - complete with your own hand-made tortillas.

**Meals included: Breakfast | Lunch | Dinner**

## Group Leader Description

---

All G Adventures group trips are accompanied by one of our group leaders, a G Adventures representative, or an expedition team. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

## Group Size Notes

## Meals Included

---

8 breakfasts, 1 lunch, 1 dinner

## Meals

---

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. Please refer to the meals included and budget information for included meals and meal budgets.

Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

---

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

## Visas and Entry Requirements

---

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent. IT'S YOUR RESPONSIBILITY TO HAVE THE CORRECT TRAVEL DOCUMENTATION.

As of November 1st, 2007, the Costa Rica government, requires those entering Costa Rica from certain countries in South America and Sub-Sahara Africa, to have an International Certificate of Vaccination against Yellow Fever. Those affected countries are: Angola, Benin, Burkina Faso, Cameroon, Democratic Republic of Congo, Gabon, Gambia, Ghana, Guinea, Liberia, Nigeria, Sierra Leone, Sudan, Bolivia, Brazil, Colombia, Ecuador, Peru, French Guiana and Venezuela.

You should consult your doctor for up-to-date medical travel information well before departure.

## Spending Money

---

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

---

## Money Exchange

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money. A combination of US dollars cash and cards with travellers cheques as backup is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: [www.xe.com](http://www.xe.com)

---

## Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

---

## Departure Tax

Costa Rica airport exit tax: \$29USD

## Tipping

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Please note that in Costa Rica, a 23% charge is added on to almost every meal (13% tax, 10% tip). Further tipping for wait staff is appropriate in the case of excellent service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures Chief Experience Officer did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information.

## Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure.

Petty theft, bag snatching and muggings have been on the rise in San Jose. Though not common, there are certain precautions you should take when visiting the city. Although the cities visited on our tours are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions, as they are the safest and easiest way to avoid any issues one might encounter on the streets after dark. In addition, always leave your passport (It's better to carry a photocopy of it instead), credit cards and money that you won't be using in the hotel. Many of the hotels we use have safety deposit boxes in the room, or a general one at reception, this is always the safest method of storing your valuables. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Remember that like in any other city, you should never leave your bags unattended, nor flaunt jewellery, cameras etc . A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns.

Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Stick to the main streets only during the day, and after sundown, please take a taxi. Taxis can be organized from reception of your hotel. Also, take the address of the hotel with you.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

## **Trip Specific Safety**

---

Like any city where tourism is on the increase, crime also tends to increase and while San José is not a noticeably dangerous city, there are certain precautions you should take. Make sure that you are aware of your things at all times and don't go out carrying expensive gear or jewellery.

## **Medical Form**

---

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

The medical questionnaire can be found online at:

[www.gadventures.com/medical-form](http://www.gadventures.com/medical-form).

## **A Couple of Rules**

---

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our

travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

## Travel Insurance

---

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
